

Knowledge is Power

# Advanced Estimating & Material Take-Off

In Conjunction With

**BMSA's Annual Learning Exchange & LBM Expo**

**Thursday Feb. 7th, 2019 8:00AM-4:30 PM**

**BMSA's Annual Learning Exchange & LBM Expo**

**February 6-7, 2019  
Hickory, NC**

Casey Voorhees has developed an Advanced Estimating Course designed to provide a deeper understanding of residential framing as well as increased efficiency in completing material estimates. This workshop will go beyond basic house design and focus on the difficult areas of completing framing take-offs.

### Material Covered:

- Irregular floor and roof layouts
- Multi-pitched roofs
- Vaulted walls and ceilings, rake framing
- Stick-framed roofs including hips, valleys and jack rafters

- Those attending the 2-Day Basic Blueprint Reading & Material Take-Off course may continue with this course. If registering for this session only, please be sure your personnel have the requisite experience and are familiar with interpreting plans, residential construction methods and fundamental material take-off concepts. **This is an Advanced Course**
- Note: Plan on arriving early on February 6th to join us for BMSA's Learning Exchange & LBM Expo at the Hickory Metro Convention Center where you'll see all the latest in products and services for the building industry! There's no charge and you'll learn a lot from seeing all the new products and services available!*

**Instructor:** Casey Voorhees has over 35 years of experience in the building material industry. He has been teaching this class around the country for over 20 years.

**Fees:** **BMSA Members: Special Rate for BMSA Members \$325 per attendee/\$305 for each additional employee**  
**Non-Members: \$499** and must be paid in advance  
*Tuition includes seminar instruction, lunch and all handout materials*

**Important, Register Now!** Reservations will be accepted on a first come, first serve basis. Cancellations received within 10 business days of the workshop will forfeit their registration fees.
