

Building Material Suppliers Association

Spring 2020 CFO Roundtable & Training Conference

March 25-27, 2020

This conference will include presentations and discussions on current-day issues pertinent to CFO's in the building materials industry. Topics included will be Cybersecurity, Revenue Recognition Standard ASC 606, and Accounting for Leases ASC 842. In addition, all participants will participate and speak on issues that they have addressed in their organizations and provide solutions that have been successful and those "solutions" that were less than successful. Finally, all participants will review and analyze member's annual financial statements.

Learning Objectives:

- Analyze the 2019 financial data of the roundtable participants.
- Become aware of current cybersecurity issues.
- Learn the impacts of new accounting standards, Revenue Recognition and Accounting for Leases.
- Develop new solutions from the sharing of best and worst ideas.
